Built to make an impression with sleek design and bags of attitude

£3,899 ^{+OTR}
from £75.68 p/m

The FB Mondial Flat Track 125 is a sensational piece of design and ONLY available in 125cc. Standing out from the crowd has never been easier and with low rate monthly payments, it doesn't break the bank. Dirt, mud, slick tires... In a world where its hard to stand out, you find a part of inhabitants more instinctive and primitive. Youngsters who feel a call from the earth without being able to fight it and decide to run into it riding a unique motorbike ... a FLAT TRACK! FB has managed to design a bike with a retro look but without being cliché and with a totally unique character which is hard to achieve these days but FP have done it and done it really well.
