## Mondial Flat Track 125 2024

BUILT TO MAKE AN IMPRESSION: Flat Track 125

**£3,299** +OTR

from £64.32 p/m

Imagine the thrill of riding through dirt and mud on a sleek, modern motorbike that embodies the spirit of the racing flat track style. Introducing our unique Flat Track bike - perfect for those who crave an instinctive and primitive connection to the earth. Our bike features 19-inch spoke wheels with dual-sport tire treads, because where's the fun in smooth surfaces? With minimal lighting that accentuates the design, the engine takes centre stage, with a stainless-steel double exhaust running under the seat. Powered by a single cylinder, 4-stroke DOHC engine with 4 valves, this bike boasts a displacement of 124cc and a compression ratio of 12:1 The Carter umido lubrication system and liquid cooling ensure optimal performance, while the EFI intake system and electric starting system make it easy to rev up and go. The 6-speed transmission and 9.5L fuel tank give riders plenty of speed and endurance, while the front suspension with Ø 40mm USD fork and rear suspension with single absorbers provide a smooth ride. The bike weighs 133kg and can accommodate two people with a load capacity of 2 people. Our Flat Track bike features a 4-piston radial calliper ABS/CBS 280mm front brake and a 1-piston floating calliper ABS/CBS 240mm rear brake. The front and rear wheels measure 2.15x19" and 3.00x19", respectively, with tire sizes of 120/80 x 19" and 130/80 x 19". At 2083mm in length, 810mm in width, and 1140mm in height, with a wheelbase of 1380mm and ground clearance of 205mm, this bike is the perfect size for those seeking a thrilling off-road adventure. The seating position height is 870mm, ensuring a comfortable and commanding ride. And while it may appear to be a single-seater, our Flat Track bike actually comes with a hidden second seat under the rear body cover - perfect for accommodating two riders. Experience the ultimate in fast and controversial riding style with our unique Flat Track bike.
